

Honoring and Preserving Our History

**Friends of the
Boy in Blue Civil War
Veterans Memorial**

The mission of the Friends of the Boy in Blue Civil War Veterans Memorial is to honor and preserve the Blue Earth County Civil War Veterans Memorial, located in Mankato's historic Lincoln Park. To achieve that end, the organization is dedicated to encouraging and promoting both an awareness and appreciation for the preservation of other historically significant properties, cemeteries and monuments from this decisive period [Civil War era] in our nation's history. By doing so, Friends of the Boy in Blue are able to gain a more complete and thorough understanding of the men and women, both civilian and military, that "gave their last, full measure of devotion," during the American Civil War (1861-1865).

Your membership and contributions help ensure the Memorial is maintained and continues to make a long-lasting impact on our community. As a 501c3 non-profit organization, your gift is tax deductible. Thank you for your support and generosity!
