During this special ceremony, new headstones will be dedicated for 15 Civil War Union veterans buried in Glenwood Cemetery whose graves were previously unmarked.

The ceremony will be conducted by the Col. William Colvill Camp 56 Sons of the Union Veterans of the Civil War, with assistance from the Friends of the Boy in Blue Civil War Memorial. Costumed re-enactors will be present.

The Union Veteran headstone dedication ceremony is an honor and a fitting tribute for a Union soldier whose service helped preserve the liberties Americans enjoy as a nation today.

The ceremony is open to the public. Join us Rain or Shine!
