

Blue Earth County

Civil War Veterans Cemetery Project

This project, sponsored by the Friends of the *Boy in Blue* was created to restore illegible, broken, or missing Civil War gravestones. This is an ongoing preservation effort that shows respect and honor for the fallen Civil War soldiers buried in Blue Earth County.

We have partnered with Headstone Revival, LLC to begin the work of cleaning CW headstones using the same hand-cleaning and restoration method as approved by National Cemetery Association and is used in Arlington National Cemetery.

For broken or missing headstones, applications must be made to the Veteran's Administration for replacement. However, we need to raise the funds for the cost to set these new stones.

The project can only move forward as funds are raised. Would you consider helping us? As a 501c3 non-profit organization, your gift is tax deductible. Thank you for your support and generosity!
